shipping terms

Motor Freight: Shipped F.O.B. Millville, NJ. Palletized shipments are subject to a pallet charge.

UPS/FedEX/DHL etc.: Shipped prepaid and added to invoice.

All orders requesting shipments via private carriers (UPS, FedEX, DHL, etc.) using your own account number are subject to handling charges. Please contact customer service for details.

Hazardous Chemicals: Are subject to Federal HM181 Regulations effective 1/1/1996 and may necessitate a packaging charge. Hazardous chemicals shipped via UPS, FedEX, DHL, etc. are also subject to the Hazardous Material Charge.

returned goods

Our customers are requested to communicate with us before returning any goods. We will promptly authorize all justified returns. After arrangements have been made for the return, the material should be properly identified with sender's name and address, carefully packed and reference made to the customer's order number or to our packing slip.

damage & shortages

Extreme care is used in filling and packing your orders. All items are checked, rechecked and packed by experienced personnel. Should discrepancies occur, a report, referring to our packing slip number, should be made immediately for prompt adjustment. Major damage should be reported immediately to and inspected by the carrier. We will lend all assistance in helping to process your claim.

UPS/FedEX/DHL Damage: All packing materials should be kept until inspected by a UPS/FedEX/DHL representative.
